Shouldn't Judge Teachers By Number Passed - Principal

Principal Jackson Says Long School Hours Made Necessary By Public Demand That All Pupils Pass

Newmarket public school board will consider at its next meeting a recommendation, stressed at the recent Ontario Education Association convention in Toronto, that teachers should submit an annual certificate of health.

Mrs. J. C. R. Edwards at a meeting Friday evening asked the board to consider the question after reporting to the board on the convention.

"Everyone working with children should have a certificate of freedom from active tuberculosis," said Dr. G. E. Case, who seconded the notice of motion.

"Another point stressed at the convention that we as a board should consider is the greater use of the schools for community purposes," said the chairman, Rev. J. A. Koffend.

"Judge Morley stressed the need for more supervised play, to catch juvenile delinquency in the bud," Mr. Koffend also mentioned.

Trustee L. H. Bovair said that a committee of the Newmarket Horticultural Society, under the chairmanship of Rev. Henry Cotton, had worked out "a five-year plan" for the beautification of public school grounds without interfering with use of the grounds for play.

"I am sure that these shrubs and trees will mean a lot to our community," said Mr. Bovair. Principal H. A. Jackson expressed agreement.

Mr. Koffend said that the property committee would bring in a

Nothing worse than a high wind storm was encountered. He reports hot sultry weather with many severe thunderstorms.

Tel. Frank Baillie, Shelburne, N.S., is spending his furlough with his brother, Mr. E. G. Baillie, and Mrs. Baillie.

PLANT SHRUBS AND TREES AT SCHOOLS

Between 30 and 40 large-sized shrubs and nearly 200 evergreens and deciduous trees have been planted by the Newmarket Horticultural Society at each of the four elementary schools.

The Horticultural Society school committee also distributed on Monday 750 packages of seed to the school children for Victory gardens.

The Horticultural Society has started a nursery on D'Arcy St. A. N. Belugin reported to the Lions club Monday evening that after setting out a large number of trees at the Lions park, the park committee had planted trees not required in the new nursery, where they would be available for replacements.

WILL BE ASSISTANT

Lieut. Dorothy George of Toronto has been appointed to assist Capt. Margaret Nimmo at the Salvation Army here.

CHANGES DUE, MRS. EDWARDS TELLS BOARD

Changes might be made in the Newmarket school system that would result in a better job in training children for living, Mrs. J. C. R. Edwards, a member of Newmarket public school board, felt after attending the recent sessions of the Ontario Education Association in Toronto, she told a board meeting on Friday evening.

"I found the talks and discussion most enlightening and feel that this is a contact that our school board cannot afford to miss," Mrs. Edwards reported.

"I thought that two of the outstanding speakers were Mr. Stanley, president of the Trustees and Ratepayers Association, and Judge Morley, who spoke with great understanding on juvenile delinquency," she said.

"Two outstanding impressions gained at the convention were, one, that we are on the eve of great changes in our educational system; two, that we as members of Newmarket public school board have not kept abreast of the times in educational progress."

"The subjects stressed by the various speakers as of vital importance in present-day education are as follows, and I have listed these in the order in which I felt emphasis was laid on them:

"First: The importance and need of religious education in the schools. I think that this was emphasized by every speaker I heard."

"Second: That more emphasis be placed on educational citizenship. Not more than 50 percent of our population vote. This shows a regrettable lack of training for citizenship in our schools."

"Third: Supervision of health in the schools should be undertaken by school boards, and that each teacher should present a certificate of health once a year."

"Fourth: More attention should be placed on supervised play in the schools to promote co-operation and teamwork."

"Fifth: A free use should be made of school buildings and property after school hours for recreational and social activities of the community."

"I came away from the convention feeling that there is a need for possible reorganization of the educational set-up in Newmarket, making it possible that a child would be trained, as well as educated, in citizenship, teamwork and facing the practical problems of life."

"It is felt that more interest should be taken by the public in the work of the public schools, and that there should be greater contact between the home and school, and the work not be all left to the teachers."

"In the way of something practical and in the light of certain remarks arising from discussion on health, at the convention, it would seem wise to recommend that teachers present a certificate of health along with their contracts."

Mrs. Edwards said that an interesting part of the convention was the handling of resolutions from school boards. After a committee culled them, the best ones were presented to the convention, and if carried were forwarded to the department of education.

Outstanding on the program was the "choral speaking," said Mrs. Edwards, presented by Toronto schools.

"I'd like to mention that not only did your representatives listen to addresses but your chairman contributed some constructive suggestions, giving Newmarket a voice in the discussions, and he has been appointed a member of the executive of the Trustees and Ratepayers Association," Mrs. Edwards concluded.

WILL BE HOLIDAY

Newmarket town council will proclaim Monday, May 24, a holiday at a town council meeting on Monday evening. The mayor, Dr. L. W. Dales, has taken a poll of the councillors and found that that is their wish.

INVALIDED HOME

Dvr. Malcolm Sedore of Island Grove was invalided home on Monday after several months in military and civil hospitals in Victoria, B.C.

Dvr. Sedore signed up with the heavy artillery in 1941 and was stationed at Chatham, Ont. Sixteen months ago he was sent to Esquimalt, B.C.

He took mumps and before it was diagnosed as such, complications set in, with the result that he has been in and out of hospital ever since.

The Era and Express office will be open on Saturdays from 8 a.m. to 1 p.m. and from 2 p.m. to 5 p.m.

NOTE TO SOLDIERS

Newmarket soldiers overseas receiving parcels from the Newmarket Veterans Association are asked by Alex. McIntosh, comforts fund treasurer, to fill out the enclosed cards promptly and acknowledge receipt.

This information as to the number of parcels that actually reach the soldiers will be of assistance to the Veterans in their work.

NAMIE REQUIRED

The Era and Express will be glad to publish a letter signed "Sincerely Puzzled" on the question of quarantine and the closing of the schools if the writer will give his or her name to this office. The name will not be disclosed to anyone else but must be on file before the letter can be published. This applies to all letters published with a pseudonym.

FORMER JAPAN BISHOP HOLDS CONFIRMATION

A confirmation service was held at St. Paul's church last night when 32 candidates received full membership in the Anglican communion.

Right Rev. H. J. Hamilton, formerly bishop of mid-Japan, conducted the service in the absence of Archbishop D. T. Owen, who is still overseas.

Rev. P. G. Powell of St. James' church, Sutton, whose two sons-in-law were confirmed, assisted the service. Rev. G. H. Johnson, with the service.

Three fathers with their sons received the rite of "laying-on-of hands."

WOULD SHOW HEALTH MOVIES PERIODICALLY

Newmarket public school board passed a resolution at a meeting on Friday evening commending Dr. J. H. Wesley, M.O.H., for his recent declaration in favor of engaging a public health nurse.

The board received the following letter from Mrs. H. E. Gilroy on behalf of the Home and School Association: "The Home and School Association feel that since the town council have seen fit to deny the public the services of a public health nurse, the showing of pictures pertaining to health, control of disease, etc., would be a means of furthering health education in our town."

"Films on these subjects are available, free of charge, to any community desiring to use them and may be obtained through the health service of the Home and School Federation."

"Our association sincerely appreciates the support of the public school board regarding our health nurse project and suggest that the board sponsor the showing of such pictures to parents and children periodically."

Offer \$50 Bond Or \$10 Certificate For Guess

The Victory bond contest sponsored by public-spirited Newmarket citizens is scheduled to close Friday night. All coupons which reach The Era and Express office by Saturday morning at 9:30 will be considered.

For rules or coupon see last week's Era and Express. In short, a \$50 Victory bond will be given for the best guess as to the revised total for the general canvass in North York.

Fill out your answer on the coupon or a piece of paper three by two inches, giving your name and address and your guess. The objective is \$2,150,000.

One ruling has been added since last week, after consultation with the Victory loan office. The Victory bond will be awarded if there is sufficient show of interest, as evidenced by a minimum of 100 answers. If there are less than 100 answers The Era and Express will give a prize of a \$10 war savings certificate and turn the \$50 bond over to the Newmarket Red Cross.

ARE HONORED ON 40TH WEDDING ANNIVERSARY

A pleasant time was spent on Tuesday evening when about 20 fellow members of the Gospel Tabernacle gathered at the home of Mrs. L. Rolph, to honor Mr. and Mrs. D. W. Evans, who celebrated their 40th wedding anniversary. Mr. and Mrs. Evans were taken entirely by surprise. They were presented with an anniversary card in which a sum of money was enclosed.

N.H.S. BOY WINS PRIZE

Lorne King, Schomberg, a graduate of Newmarket high school, has successfully completed his first year at the Ontario Agricultural College.

He was awarded the Dr. W. R. Graham prize for class work in poultry husbandry and activities connected with the Poultry Science Club and the College Royal.

ASKS HELP IN SEEDING YORK COUNTY FARMS

Four war-time virtues were the subject of W. M. Cockburn, deputy district Lions governor, in an address before the Newmarket club on Monday evening.

First was courage. "It requires courage to face situations as they come to us, not to wilt and say that the job is too big for us," he said. "We can't expect to get through this war putting in the same hours and the same work as in peacetime."

"A push is so much better than putting a block in front of the wheel. We need courage to challenge untruth, courage to change opinions when confronted with new facts, courage to fight."

Next was loyalty. "There is no need to speak of loyalty to monarchs of the type we are so fortunate to have. Loyalty to country includes helping the war loan, the Red Cross, the Salvation Army. There is loyalty to the local community and loyalty to the club, loyalty to fellow members. A pat on the back to members who are going over a rough spot is worth a lot."

Discipline was next. We should discipline ourselves as to what we say. We should be careful with our praise, about things, about people. "We should keep to ourselves that so-and-so is on his last legs and on his way overseas. We should discipline ourselves and discipline the other fellow who is circulating wild stories."

Then came determination. "The armed forces I do not need to mention. We civilians are apt to throw up our hands and say the job is too big."

"You are going to keep that business of yours going as long as you can."

"Our farmers are up against a really tough job. Our farms have to double production and in many cases with only half the labor they used to have."

"Some are inclined to throw up their hands," said Mr. Cockburn. "A 70-year-old farmer in the northern part of this county is determined to get his crop in and off, with whatever help is available, high school boys or whatever it may be."

"Again we will need to ask you to back up the farm commandos. We appreciate very much the help that was given by the business men of this town last year."

"Here it is the tenth of May and hardly a seed is in the ground. If any of you have any experience at all, and you can help, get out and give a hand."

Vice-President Fred Thompson presided in the absence of President Frank Bowser due to illness. H. E. Lambert introduced Mr. Cockburn.

Second Vice-President H. E. Gilroy reported that there were 503 names of Newmarket boys and girls in the services on the Lions Victory loan honor roll in the municipal office window.

Fred Thompson reported that Larry C. Westbrook, member of the high school staff and "popular with the boys," was going to take charge of the Newmarket air cadet squadron.

THEATRE PROVIDES SALVAGE SHOWS FREE

The following information with regard to salvage shows is given by M. D. McPhee, manager of the Strand theatre.

"To date the Strand theatre has held two salvage shows for the collection of rubber and fats in co-operation with the local salvage committee. The amount of rubber taken in was 2,800 lbs. and fats 800 lbs., gross weight in each case."

"Last Saturday another salvage show for fats was held in co-operation with the Home and School Association. This show also netted well over 800 lbs. of fats. In all cases the admission charged was two pounds of salvage."

"The statement in last week's Era and Express, 'There is not much in a show after the prizes are out,' suggests that prizes were an expense to the salvage committee."

"Both matinees held in co-operation with the local salvage committee were supplied gratis by the Strand theatre. I personally collected money from the merchants for the prizes, which were given out on two occasions in the form of war stamps and the last time in cash. Film, time of the staff and running expenses were all provided free through the theatre, so that there was no expense whatsoever to the sponsors of these shows."

"The same report also stated that the idea behind these shows was advertising. These shows, specifically the last one, were run in practically every theatre across Canada and were made possible by the national film industry of Canada with but one objective in mind, the national war effort. In all cases the proceeds were devoted to war charities."

"No doubt these shows have been good advertising, but if considered as advertising they have been expensive advertising. Our only purpose in holding these shows has been to play our part in the winning of the war. Just like everybody else today, we are anxious to do our share."

The Era and Express classified all turn into money for you something that somebody else would like to have.

East Gwillimbury Goes Over Top And On, Closes Saturday

Three Days To Go, Much Ground To Cover, Is Headquarters Report, Banks Open Saturday

East Gwillimbury township was setting the pace this week for northern York county with \$137,400 subscribed up to Wednesday against an objective of \$135,000.

The North York total was \$1,650,800 (general canvass) against an objective of \$2,150,000. Newmarket had subscribed \$276,300, with the objective of \$325,000 beckoning citizens and salesmen on.

North Gwillimbury's Wednesday total was \$35,900 (objective \$65,000). Georgina's \$35,300 (objective \$65,000), and Sutton's \$33,900 (objective \$60,000).

The national total up to Tuesday night was over \$885,000,000, which was \$200,000,000 better than in the previous year on the same day.

Victory loan meetings have taken place in the past ten days at Keswick, Sutton, King, Vellore, Unionville, Vaudor and Sharon.

Banks will be open on Saturday afternoon, the final day of the loan, to give people a chance to give the loan a final upward boost. Citizens are asked to subscribe for additional bonds if they possibly can.

The determined spirit shown by the canvassers was illustrated this week when Garry Thompson, East Gwillimbury canvasser, having finished his own territory, "piled in" and helped a fellow canvasser with his territory for two days.

Schools Closed For Two Weeks, Measles Are Cause

PRINCIPAL JACKSON REPORTS ONE IN FIVE PUPILS ABSENT MONDAY

Elementary schools were closed Monday by order of the medical officer of health, Dr. J. H. Wesley, after Principal H. A. Jackson had reported 115 absences due to illness.

Dr. Wesley, who stated that there were now more reports of measles than of mumps, for which the schools were closed a week before Easter, has issued an order that children are to play in their own yards and not to congregate.

The schools will remain closed next week, Dr. Wesley said today.

GIFTS FROM HOME ARE APPRECIATED BY BOYS

"Just a line to thank you for your weekly paper which I have been receiving regularly," wrote Vern S. Clark writes The Newmarket Era and Express. "I also wish to thank the Newmarket Veterans for the cigarettes which I have just received. Your paper and the cigarettes are both most welcome. Well, I hope to see you all again in the near future and thank some of you good people personally."

"In one of the recent issues of your newspaper (which I have been receiving pretty regularly for the last two years and a half and for which I wish to thank you heartily, I noticed the item on the new regulations which will prevent your sending copies overseas to any but bona fide subscribers," Mr. H. Moss says in a letter to The Newmarket Era and Express.

"I am making the necessary arrangements to have a year's subscription mailed to you and would thank you to continue to forward me your excellent journal. Apart from the local news it is really very heartening to see how the various Newmarket and district organizations are plugging away for the boys overseas."

(Since Feb. 9 Newmarket town council has been sending Spr. Moss' Era and Express. His remittance arrived this week.)

Horticulturalist Gives Victory Garden Hints

(By Rudy Renzlus for Newmarket Horticultural Society)

The best location for a vegetable garden is a gentle southern slope, well screened to the north, northeast and northwest with buildings or a windbreak of trees. If you haven't such a location, choose one as like it as possible, always keeping in mind that the first consideration is to have the garden close to the house so that it can be looked after with the minimum of trouble. A place of land, not too shaded, and near the house, should be selected.

Almost any soil will do as long as it is supplied with organic matter and well drained. It should be manured and spaded over or plowed and worked up every year. Be sure not to work it while it is too wet. There should be no danger of wash of water from higher land on rainy days.

Good drainage is important and so is sunlight. Only a few vegetables thrive in the shade and the vegetable garden should be as open as possible to the light, with no trees close in. Besides their shade, the roots of the trees steal a lot of the moisture and nourishment in the soil useful to the vegetables. A wire fence with scarlet runners makes an attractive fence and keeps dogs and poultry away. The beans are edible and good too.

DROP STANDING CROP FIELD COMPETITION

At the spring meeting of Scott agricultural society at Udon on April 29, representatives of the Ontario county war finance committee entertained the directors with a series of war pictures.

The directors discussed the conducting of standing crop competitions and, as the provincial legislature is not this year making grants for that purpose, decided not to hold these competitions this year.

It was decided to hold the annual fall fair at Udon on Wednesday, Sept. 29, and plans are being made to arrange for additional entertainment to induce a better than usual attendance.

Instead of so many donations being solicited, directors are going to ask this year for membership, so that those who contribute will attend the fair on their contribution.

The society is sponsoring a Junior Farmers swine club, which has been so popular among the younger farmers during the past few years.

YOU CAN BUY A SHARE IN TUNISIAN VICTORY

Victory in Tunisia should sell a lot of Victory Bonds. Defeats and set-backs and fears have sold war bonds, but the time has now come when people will buy bonds with the hope that we have reached the "beginning of the end" of the war, with beyond that the new beginning.

People who buy Victory bonds beyond their own present economic comfort can be reasonably confident that they are investing in not merely a war-less world but also in a progressively better world. It has never been so clear to any generation of the human race as it is to ours that this is a changing world. Change has come in transportation, communication, medicine and surgery with amazing speed. The changes in international relationships, which our statesmen, and all thinking people, are planning to assure lasting peace, will bring with them changes in international trade and domestic ways of doing business.

While we must not suppose that war can bring more good than harm, and while we must not look for a new heaven and a new earth as an immediate result of the war, we can have no doubt about the job Victory bond money will do. It will put an end to the present carnage and restore order to the world, and then it will be available again to you to play a part in reconstruction. Better things are ahead—buy confidently!

BLESSING IN DISGUISE?

Gasoline restrictions are a nuisance and an inconvenience, but they have also made many of us realize that we had become slaves to the

motor-car. Instead of enjoying the automobile, and making moderate use of it, we had let it become our master. Instead of walking to work, and enjoying the exercise, we rode. When evening came, instead of enjoying a book, or a walk, or walking to a friend's house, or working in the garden, we jumped into the car and let it take us wherever it would. When the weekend came, we got into the car again and perhaps drove as far as we could and then came back. We drove so fast that we saw little and enjoyed, not the countryside, but merely the sensation of speed. We wasted our money and started another week, not rested, but fatigued.

How different it is today! Our churches are crowded on Sundays. People are again enjoying walking and bicycling. And now everybody is turning to the garden—particularly to the Victory garden that is going to help every family budget and help win the war. But when the war is over will we know how to use our cars wisely and moderately—or will we again become slaves of the machine age?

SCHOOL HOURS

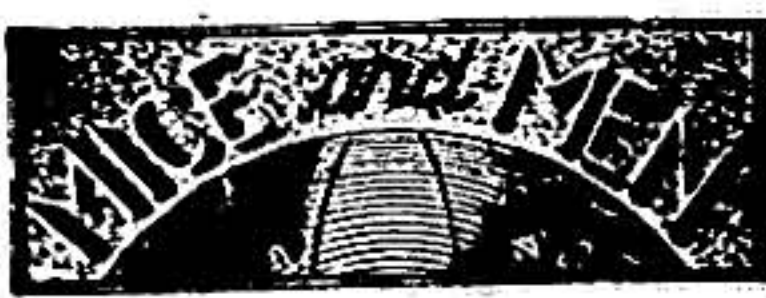

Perhaps the closing of school this week is not entirely a waste. The children will have a chance to get some sunshine, and to build up their energies, at a time when they need "re-charging." School hours, nine to four, or half past three for grades one and two, are long, probably too long, we may think in a few years time. We perhaps put too much emphasis on the acquiring of knowledge that is soon forgotten, or the completion of courses, and provide too little supervised play, too little outdoor schooling. All work and no play makes Jack an unhealthy boy, both in body and mind.

RHUBARB WILL BE WASTED

Our guess is that Mr. Donald Gordon, the wartime prices and trade board chief, has never had a few roots of rhubarb in his backyard or he would allow more than an extra pound of sugar per person for rhubarb. It seems too bad not to make full use of the rhubarb that grows so abundantly in our Canadian gardens. Perhaps we should be thankful that Mr. Gordon thought about rhubarb at all—he is doing a big job.

HOOKED

"Why do you call him one of the landed gentry?"
"Well, er — er — he was just married."

Prime Minister Winston Churchill arrived in Washington Tuesday evening accompanied by a staff of military and naval experts. His swift trip so soon after the Allied victory in Tunisia led to conjecture that he would discuss with President Roosevelt for another front on the European continent.

German fighter-bombers scored a direct hit on an A.T.S. hostel in Britain five minutes after the girls had marched in from the parade ground.

British, American and Free French forces scored an Allied victory in Tunisia with the fall of major points, Bizerte and Tunis. Axis prospects for escape have been rubbed out since the British crossed the Cap Bon peninsula, where the Axis forces are hemmed in by land, sea and air. Algiers radio said that Axis prisoners were being taken at the rate of 1,000 an hour.

SCHOOL AREA WOULD EARN GRANT OF \$1,600

(Contributed)

The organization of township school areas in East Gwillimbury has been discussed at some length, and it is probable that the electors will give a definite expression of opinion for the guidance of the township council in the near future. The electors of S.S. 7 have taken the lead in this matter, and have already presented a petition to the council, signed by practically all qualified, asking that an area be organized.

If the by-law setting up one or more areas can be passed before the first day of July, the special grant of \$1,600 will be paid for 1943, although the new organization will not take effect until Dec. 25. The sum of \$1,600 will be a considerable contribution to the improvement of the township schools.

Few arguments can be advanced against the proposal. The most reasonable and most frequently voiced objection is that our citizens should not be asked to consider a proposal of this nature during the war. It is a natural objection, but should it receive serious consideration? We know that leaders in Great Britain and Canada believe that measures for the social security of the people cannot be postponed until the war is won. Consequently we have a Beveridge plan and a Marsh plan.

Similarly, our post-war educational plans are being formulated now. Representatives from all the provinces of Canada and Newfoundland have recently met and made recommendations, some of which can never be successfully carried out until the administration of our schools is improved by the organization of township areas.

Apparently the creation of one or more township areas in East Gwillimbury would be quite in keeping with our national wartime educational program. Moreover, any measure which ensures greater efficiency and lower costs must be considered seriously as a war-time necessity. That this is the accepted view is evident from the fact that more township school areas have been organized this year to date than in any previous year.

While no real disadvantages have come to light during the discussion of township school areas, the fear of certain possibilities has been expressed.

Some are afraid that schools might be closed. No section in the township has any reason to fear such a step. Only schools with very low registrations are closed in Ontario. There are no such schools in East Gwillimbury; therefore, there is no need to fear such a development. The schools will remain just as they are at present because the law which controls the closing of schools is just the same for the section as for the area.

The possibility of higher costs is occasionally suggested, and this in spite of the experience in scores

of areas where costs have been reduced. To suggest that a township area board would launch extravagant spending programs is to reflect upon the judgment and honesty of purpose of the men and women who are running the schools today, because some of the same men and women would administer the schools under the township area plan. As a matter of fact, a township area board can provide more services for the present cost or the same services for a lower cost. With increased grants and the opportunities for saving which result when providing for many instead of one school, the cost of running the schools should be less and has been less in scores of areas.

East Gwillimbury township is in an excellent position to organize a township school area. There are no debenture debts to be assumed and no building program in prospect. This is an opportune time for the people of the township to co-operate in providing an equally effective program for all the children. A township school area will result in equal and better educational opportunities now and in the future.

"MAY SEE THIS MOVIE IN EUROPE THIS YEAR"

"In Which We Serve," coming to the Royal theatre, Aurora, the week of May 24-29, wins the following comment from Alexander Woolcott in the March Reader's Digest:

"Each reader, for his own sake, is hereby advised to let nothing short of bubonic plague prevent his seeing the movie which so skillfully, so honestly and so proudly presents the life and death of a British destroyer. 'In Which We Serve' is the most moving picture of them all. To see it is an experience at once humbling and heartening. One does come away from it cheered up about such precarious enterprises as the war, the English-speaking peoples and the human race."

"This has been accomplished in the one medium which knows no frontier, by a man who could add to a hard-earned professional competence a dash of genius. The resources of the British navy, as never before for such a purpose, were placed at his disposal; the resources of Noel Coward, as never before for any purpose, were placed at the disposal of the British navy, its men at sea and their folks at home."

"Before next Christmas the resulting work of collaboration will have been seen wherever the writs of Hitler and Hirohito do not run. Territory available for its showing will increase in 1943."

(Special rate for mares approved by Canadian Hunter, Saddle and Light Horse Improvement Society and owned by bona fide farmers residing in Townships of Markham, Whitechurch, East Gwillimbury and King—\$10.00 cash at time of service.)

The physical condition of any mare coming to the stallion subject to approval. Not responsible for disease or accidents to visiting mares.

LE FILS ROYAL

is the highly successful product of a long process of breed improvement in France which has produced a superior predominantly thoroughbred horse, sound, powerful, capable, handsome, clean-legged, gay and active, but absolutely docile.

The original foundation stock was the famous "Norman" horses themselves descended from the Arab. To this have been added Thoroughbred Blood and Rigid Selection. The more recent infusion of Thoroughbred Blood has been recorded by the registration of the produce in the official French Halfbred Book as well as in the official Coach Horse Book.

His extraordinary characteristics (high quality, handsome appearance, excellent action, size 16-24, bone 9 1/2 inches, weight 1550 pounds, wonderful disposition) make Le Fils Royal exceptionally suitable for use with well bred mares where some increase in substance is desired. He is himself a jumper.

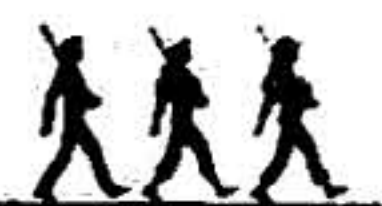

As the proof of the pie is in the eating; you are invited to inspect our mare La Fille Royale, by Le Fils Royal (out of the thoroughbred mare Iona G.) on the Sifton Farm, 2 1/4 miles east and 1 1/4 miles north of Aurora.

Having found his progeny exceptionally good, we have purchased Le Fils Royal for our own use and are making him available for general service.

THE STORY BEHIND MEAT RATIONING

Food is a weapon of war, and we must share our supplies with those who are fighting to keep the war from our shores. After all special wartime demands are taken care of, only one half of the meat produced in Canada will be available for ordinary domestic consumption at home.

Meat supplies for our Armed Forces must be maintained at all costs.

Great Britain has to depend more and more on Canada for supplies to maintain even its present low ration rate of 28 cents worth of meat per person, per week.

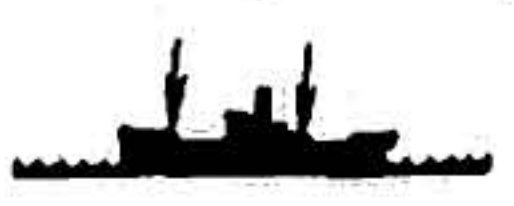

Since the war started the consumption of meat by civilians has increased in Canada. Great defense projects such as the Alcan Highway and the Shipshaw Power Development have created new and large demands for meat in areas where practically no demand existed before.

Canned meat is required in large quantities by the Red Cross to send to our boys who are prisoners of war.

Places like Newfoundland and the West Indies, which previously secured their meat from other sources—must now depend to a great extent on Canada.

The many extra ships of the United Nations now calling at Canadian ports, must be furnished with meat.

RATIONING IS INTELLIGENT FORESIGHT — INTELLIGENT PLANNING

Coupon rationing is the only way of ensuring equal sharing of the meat available for civilian consumption in Canada. Those with lots of money will not get more than their share—and those with less money will be assured of getting their fair share.

Rationing will help prevent local meat shortages such as occurred last year from becoming widespread and continuous throughout the whole Dominion. The incentive for panic-buying which empties butcher shops early in the day, will be eliminated.

THE MEAT RATION WILL BE AMPLE FOR HEALTH AND NUTRITION

Fortunately, our meat production in Canada has increased. So, although only half our production will be available for civilian use, it will mean a reduction of only about 15% to 20% in the average household consumption.

The proposed ration of 2 lbs. (carcass weight) per person, per week, has been approved by the country's leading food and nutrition authorities, as ample for the health and nutrition standards of everyone—regardless of age or occupation.

DATES AND OTHER DETAILS REGARDING MEAT RATIONING—SOON TO BECOME EFFECTIVE IN CANADA—WILL BE ANNOUNCED LATER

We Want Freedom From WANT...FEAR...and FORCE

THERE'S nothing old-fashioned about this war. The weapons are all new-fashioned. The methods of attack and defence are new-fashioned. And so are our war aims. Nations used to be content with victory. But, this time, we shall not be satisfied with victory. We shall not be content with peace. We shall be satisfied only with freedom... freedom from Want, Fear and Force... freedom from every kind of oppression.

THIS is a people's war. This is a war of the world's free peoples against aggression and evil dictatorship which seek to force the will of the few on the lives of the many. The free peoples of the world want security and the

right to think and act and plan their own lives in their own way. They are tired of being pushed around. They want to be left alone—to live in peace with their neighbours. They want to regain those things which free people everywhere hold dear.

IN Canada we are fighting and working and saving to secure for ourselves and others a world that will be really free. Our future security is everybody's business. Security has to be paid for. It must come out of our own pockets.

You can protect your future and the future of your loved ones, by putting every cent you can save into the 4th Victory Loan.

EVERSLEY NINE-YEAR-OLD GIRL IS CRUSHED BY TRUCK

Mrs. Florence Maulson has returned to her home for the summer. Her house, Eversley north, the old Cairns and Green home, has been rebuilt and is one of the beauty spots of the district. Mrs. Maulson visited her son in New York over Easter and reports the climate there was as cold and wet as it was here at that time.

Capt. and Mrs. J. Walsh and John, of Toronto, returned to their summer home, the old Leigh farm, for the summer. Vandals had been operating and 25 panes of glass were broken and old tin cans thrown around.

Mrs. Isa Ferguson of Richmond Hill called at Scots Wha Hae on Sunday to see Mr. T. A. Ferguson, who has been confined to his bed for the last few weeks.

Mrs. Albert McCutcheon, Mrs. John Boak and Miss A. A. Ferguson were among the nieces who attended the sale of house furnishings of the late Mrs. Janet Rogers, Aurora, on Saturday.

June Allison, nine-year-old daughter of Mr. James Allison, formerly of Temperanceville, but connected with Eversley Presbyterian church, was instantly killed when a coal truck crushed her head under the dual hind wheels, as she was playing with other children before her home in Toronto. The funeral was held on Wednesday, with burial in King cemetery.

Mrs. Ed. Archibald of The Pines and Mrs. Clark Archibald of King City were dinner guests at Mrs. Frank Wilkins', Oak Ridges, last Wednesday.

During the afternoon a reception was held for a recent bride, Mrs. John Gemmel, formerly Mary Joyce, who grew up in Oak Ridges, but had been employed in the C.P.R. telegraph office, Toronto, for several years.

Twenty-five guests, neighbors, and old friends met to welcome the bride during the afternoon. They brought a shower of gifts for the new home.

A concert, under the auspices of the United Church W. A., will be held in the Temperance hall on Monday, May 24. A three act play entitled, "Cyclone Sally," will be presented by the young people from Mono Road.

Immanuel Baptist church will observe their 100th anniversary on Sunday, June 13. Special services will be held. Rev. Dr. H. H. Bingham, former pastor of Walmer Road Baptist church, Toronto, now secretary of the Baptist Home Mission board, will be the guest speaker for the day. Plans are underway for an entertainment to be held the following Monday, June 14.

Mrs. T. M. Blackburn and Mr. Pres. Burden spent last Thursday at Weston, visiting Mrs. Blackburn's son, Mr. David Blackburn, and family.

Mrs. Tilson has returned to the village after spending the winter with her aunt in Elmville. Miss Doris Geer of Toronto normal school has been teaching school at Pottageville for the past week.

STAR IN "THE GLASS KEY"

Brian Donlevy and Veronica Lake form part of an exciting triangle in Dashiell Hammett's "The Glass Key," which plays Wednesday and Thursday at the Strand theatre. The third party involved is Alan Ladd, who was last seen in another Paramount hit with Veronica, "This Gun For Hire." Also in this exciting picturization of the famous best-seller are Bonita Granville, Richard Denning, Joseph Calleia and William Bendix, all playing important roles.

WHITCHURCH DOG POPULATION FALLS OFF IN WHITCHURCH

The assessment of the township of Whitchurch is up some \$12,000, according to the roll just filed at the clerk's office, Vandonr, and reported to the council on Saturday at the May meeting.

For some unexplainable reason the dog population is slipping and the total charges for dogs will be \$1,950. "A few, very few, have failed to pay their dog tax and will shortly receive a final notice before any summonses are issued," said Assessor Fred Cummings.

Arthur Trent appeared before the council with the written consent of King township to having his farm assessed in S.S. 1, Whitchurch, instead of in S.S. 1, King. "The Oak Ridges school is over half a mile closer to our place, and we have been attending it for years or until objection was raised recently," said Mr. Trent. Reeve Geo. Leary said that, since King township was ready to allow Mr. Trent to transfer his tax, there was no point in Whitchurch offering objection. On motion of Deputy-Reeve Lorne Evans, the clerk was instructed to bring in a by-law providing for the change.

The fuel controller advised the council that in order to stimulate the output of fuel wood, a bonus of \$1 per cord would be paid to commercial dealers for wood contracted for and cut on or before June 30. The council was requested to make a survey of the amount of wood required for the coming winter.

Road accounts totalling \$1,100 were ordered paid, and the council decided to make their annual road survey during the week of May 24.

Reeve Leary presided, members present being Deputy-Reeve Evans, Councilors L. J. Harper, Eugene Baker and Ed. Logan.

AURORA, ONTARIO, THURSDAY, MAY 13TH, 1943

Three Days Remain To Make Objective

Citizens Asked To Do Their Best, Subscribe Again, To Make Victory Loan Total Go Over The Top

With a \$200,000 objective still challenging the town, Aurora had subscribed a splendid total of \$112,500 to the fourth Victory loan by Wednesday night.

It was not enough, however, and canvassers were driving to-day in an effort to bring Aurora up and over before Saturday night.

It is announced that banks will be open Saturday afternoon for new and second subscriptions.

Stouffville and Woodbridge had gone over the top.

Ernest W. Root, R. R. 2, Woodbridge, and R. D. Little, Richmond Hill, were the winners of the \$25 and \$15 salesmen's prizes this week. The prizes are given by the North York chairman.

DOWN THE CENTRE

Black Pants will be worn by fourth one of Canada's leading highbrow weeklies.

Clair Exelby is coaching the Newmarket entry and the Salvation Army are giving the boys backing this year. The Davisville diamond is located on Mount Pleasant Road and features a well-kept terrain and a short right field. The take in the coffee pot is pretty good and there are big crowds on hand. Understand a series of exhibition games will be played at the camp against other military teams to give the boys plenty to cheer about. Hardly any of last year's team are available. Wysinski and Exelby are the two mainstays.

Bernie Gantner, who for two years scintillated at the Keystone sack and was an all-round smart performer, is the latest loss to the team. Bernie, who possessed unexcelled team spirit, rose to the rank of sergeant and has now been posted to the officers' training centre at Three Rivers, following in the footsteps of his teammate, Wes. Niles. So it will soon be "Mr. Gantner." Bernie was a pretty fair hardballer too. Exelby is also said to stand a fair chance of obtaining a commission soon.

Charlie Case, now stationed at Aurora with the ordnance corps, has announced his intention of again entering Case's Aces in the Aurora town league or a district league if one is formed. The Aces, composed largely of farm boys,

who are doing a good job on the soil and work long hours, and some low category men are practically intact from last season.

Aurora Ordinance, fresh from their hockey triumphs, are said to be ready to enter a nifty nine in any league that is formed and they of course will have some pretty fair material to choose from. There is the nucleus of a nice league if one or two more teams can be found. We won't be around this year to lend a hand but we trust the lads on the home front will carry on.

Gordy Wright, one of Toronto's ace softball hurlers and now with the navy, is said to be located in Orillia now and, from what we learn from Billy Heath, who is stationed at Champlain barracks there, is likely to toss them over for the army boys at Orillia camp, providing he is not called elsewhere by the tars. Bill says Orillia camp have some real players lined up.

Brampton Camp are also going all out for softball this year and feel they will be able to stack up against the best at Newmarket or anywhere. The hockey team of the past winter have their own softball team and have already scored several nice inter-platoon wins.

Bert Wright, golf professional at the Aurora club the past three years, like many of his brethren in the hit and hunt game, has deserted the links this season. Wright, who was a fine teacher if not a high-class tournament player, is employed with the Aurora Engineering Co. at war work and

has decided to keep on his job this year. Practically all the Toronto pros were engaged in war work all winter and several of them, including Hugh Northwick, will carry on at their new jobs. Colin ("Pop") Nisbet, veteran club member, and Norman Campbell, one of the Toronto members of the club, are in charge of the Aurora arena and clubhouse and their gentility and good fellowship should assure a fine season for the members.

Charlie Smith, Aurora's gift to racing circles, has definitely been turned down by the army and will again be in action at Ontario tracks. Smith is now engaged to ride for the George Hardy stable and to date has not been given a mount in the King's Plate. He will likely, however, ride Ten to Ace, his pride and joy, when his contract will allow him to do so.

Tulachmore is our choice for the King's Plate this year and we hope with many more North Yorkers that we won't put the box on him. Tulachmore is owned by Bill McDonald of New Toronto, former warden of York county and well-known throughout North York. Harry Giddings, who can certainly get a horse into shape for the plate, if nothing else, is training the horse. On his trials to date he looks pretty good.

Ross Waddell, former Aurora junior goaltender and for the past two years with Oshawa Juniors, is now a member of the R.C.A.F. and is the reason Coach Charlie Conacher gave the diminutive Ross the go-by in mid-stream, perhaps to the Generals' ultimate disadvantage. Waddell had the

call over Bennett all season while he was in action.

Bruce Clapper, older brother of the famous Aubrey ("Dit") Clapper of Boston Bruins, will be remembered by the older North York fans as one of the two Clapper boys who played hockey and lacrosse for Aurora when their dad, Bill Clapper, resided in Aurora. Had a surprise meeting with "Scotty" at Borden the other day as we went to see the pit at Lee hall. Bruce, a sergeant with the pay corps, is a regular ticket-seller at the Borden amusement centre, and this we hadn't seen him for years he looked just the same, albeit a few years older. He says brother "Dit" is again located at Hastings for the summer and is busy burling the doughy trout to the breakfast platter these days.

Another North York athlete of yesteryear at Borden is Percy Travis of Newmarket. "Percy" will be remembered as a member of that band of juniors which included Fred Murray, Doug Marshall, Charlie Thoms, "Scrooge" Perrault, "Slip" Soules and others just prior to the rise to fame of the Redmen. Percy played briefly under Bill Hancock, the first year the old maestro of the hockey lanes was in canal-town, his banking duties keeping him out of hockey after that. Both boys send regards to their friends throughout North York. "Lefty" Newbold, as we predicted a short time ago, is destined to go places in the army and the smooth-working winger and hardball pitcher is now at Three Rivers, on an officers' course.

Bob Bangay, headed for a commission, has turned up at Borden with the armored corps and before going further is included in the "P.O.M." class or "potential officer material" group.

George Rothwell, who played for the Ordnance Depot in the Aurora town league and hails from Willowdale, is a bridegroom of recent weeks. The lucky girl is Miss Mabel Eurt of Lansing. We note that Aub. Barker, former Aurora junior hockeyist and Queen's Yorks softballer, is scheduled to take the long walk down the middle aisle with Miss Margaret Jean Smith of Gormley on May 22. The talkative Barker is a low-category man and is now employed in war work.

Ab. Watts of Newmarket, who played on the same Aurora junior team as Barker, has successfully completed a course with the armored corps and is now sporting one hook. He served with the Queen's York reserves before going active some months ago.

Dave Mathewson, who was a member of the Aurora Cycling club before enlisting, is another lad headed up the ladder with the lads in the black berets and has two stripes to his credit and an instructor's berth in wireless.

"Scotty" Mair, fresh from his hockey triumphs with the crew of the good ship H.M.C.S. York, has turned his hand to softball for the Toronto sailors and is holding down second base for the navy entry in the Beaches senior league. Fox fans in his home town have seen Scotty perform at midgetball, but he played a bang-up brand for Queen's Yorks at Niagara two summers ago and has had senior B experience in Toronto and St. Catharines. He plays softball in the same quiet but heady way he plays hockey.

Ronnie Rowe, former Markham junior and this year with Marlborough, is headed for Galt, where there is a new junior "A" hockey team in the process of being built for next winter. Rowe is in C category, but we had thought last winter was his last in junior company, but these ages, as you have probably noticed, are sometimes elastic. Galt is being backed by some professional team. Definitely, it is not Detroit Redwings, as has been broadcast, for we talked with an official of the Bramford club not long ago and he assured us Redwings would again back Bramford. The new team is backed by the former sponsors of Stratford Juniors and we suspect there is a string tie-up with either Toronto or Montreal. Plans are being laid to run farm teams for Galt at Preston, Helleville and Woodstock, and all that takes plenty of dough. With war conditions what they are, it would appear the undertaking would be a bit of a gamble.

Oshawa Juniors are up to their old tricks again and, according to the rumors we hear around Harrie, have already corralled the best of this year's prize crop of Barrie juveniles. No wonder the Generals are not favorites with the fans outside of the motor city.

Bob Peters says he has definitely retired from hardball and all sports. "At 35 a fellow should know when he's had enough," says the redoubtable Robert. But there are those who think that Bob is only kidding and when hardball gets underway he'll be in action as usual.

Ben Wilson, another veteran, is far from thinking of retiring as he drives his Office Specialty charges through their paces. Always a sturdy performer at the initial sack or outfield, Ben can even hurt a fair sort of game. He has aged well and is nearly as good as when he featured for Newmarket and Aurora Blue Ribbons.

A feature attraction is available for some charitable organization to cash in on. Peters has issued a challenge to Wilson for a 100-yard sprint race. Both of the boys are confident of victory and are said to be getting in training for the event despite the fact no date has been set. The conditioning (Page 7, Col. 3)

PEPPERLAW Give \$70 To Russian, \$50 To Chinese Relief

The Pepperlaw W.I. met at the home of Mrs. C. K. Johnston last Tuesday. Mrs. Harry Corner presided. Mrs. Theo. Matt sang a solo, accompanied by Mrs. H. Corner. Mrs. Albert Weir read a poem, "Our Empire." Mrs. James read a paper. Mrs. Fountain gave a reading, "A letter from a soldier to his mother."

A detailed report of the work was given by each lady holding office. Mrs. W. Arnold answered questions asked by the ladies about the wartime prices and trade board.

The election of officers was conducted by Mrs. Kenneth James and resulted as follows:

Pres., Mrs. R. H. Corner; 1st vice-pres., Mrs. A. Weir; 2nd vice-pres., Mrs. Jos. Lavolette; treas., Mrs. J. Beliski; sec. for war fund, Mrs. C. K. Johnston; sec. for war fund, Mrs. A. Fountain.

Pianist, Mrs. F. Valentine; assistant pianist, Mrs. E. James; board of directors, Mrs. A. Fountain, Mrs. M. Matt, Mrs. Geo. Cronsberry, Mrs. D. Woodrow; auditors, Mrs. Jos. Lavolette, Mrs. W. C. Evans; press reporter, Mrs. A. Weir; district, Mrs. John Lavolette; alternative, Mrs. W. C. Evans.

Sunshine committee, Pepperlaw, Mrs. Morris, Mrs. J. Corner; Virginia, Mrs. W. Arnold, Mrs. John Lavolette; Wilford, Mrs. F. Bagshaw; Port Bolster, Mrs. H. Godfrey, Mrs. Shier.

Following the election of officers there was a happy half hour spent in community singing, with Mrs. James at the piano. The ladies have a balance of \$38.40.

The second meeting of the girls' homemaking club was held at the home of Verna Arnold last Thursday. The girls are getting ready for achievement day, June 4. The officers are: pres., Mrs. Woodrow; treas., V. Arnold; sec., Mrs. Geo. Cronsberry; leader, Mary Lavolette; assistant leader, V. Arnold. The girls' homemaking club's card party at the home of Mrs. Cecil Smith was a grand success. The proceeds of \$10.50 will be used to help the girls carry on their work. The war committee met at Mrs. H. Corner's. A box was packed for the Salvation Army and 17 boxes were packed for local boys overseas. It was decided to send the proceeds of the Easter dance and a quilt, amounting to \$70.72, to the Russian relief fund, and \$50 to the central fund for Chinese relief.

Zephyr

Zephyr, May 6.—Mrs. C. Bartlett and family spent a few days in Toronto with relatives last week. Mrs. Margaret Rynard returned home on Monday after a two weeks' visit with relatives in Guelph.

Miss H. Hornby of Toronto, a former teacher here, spent a few days last week with Miss Julia Madill.

Mr. and Mrs. L. Profit, Mrs. E. Profit and Mrs. Galbraith spent Monday in Toronto.

"SEEMS I CAN'T SAVE ANYTHING . . ."

WE MET on Main Street. Jim had his usual ready smile, even when he got telling me how hard up he was.

"Seems funny," he said, "I'm earning more these days, but I just can't seem to keep it."

"Taxes, Victory bonds and all those other things coming off my pay."

He paused, then went on slowly.

"At least it seems as though I can't save anything. Actually, of course, those war bonds are my savings. I'm glad I've salted away a few of them. And you can count me in on the Fourth Victory Loan too!"

HERE ARE SOME WAYS YOU CAN HELP:

1. Keep all your telephone calls as brief as you can.
2. Don't call Information for numbers listed in the directory.
3. Make only essential local and long distance calls.
4. When possible, give the number of the distant telephone you are calling.
5. If the operator can't complete your call promptly, stay within reach of your telephone, ready to answer when it comes in.

MANY hours of valuable telephone time are wasted every day by people who place a LONG DISTANCE call, then leave the telephone and are not there to talk when connection is made.

Please remember—war is on the wires. Be ready to "go ahead" as soon as your call is completed.

won't hurt either one of them, and
the race should attract more than
passing interest. So that a natural
is available for some organization to
grab. The line forms at the
right.

Joe Tunney and Don Wilson
both received a \$50 Victory bond
as members of the Toronto R.C.
A.F. hockey team which took
down O.H.A. senior honors. Tun-
ney, despite the fact he didn't
play a single game, was always
out to practice and ready for ac-
tion if needed. Don for a new
experience sat a good part of the
season on the bench. So much
talent did the fliers have. Even
in pro ranks that didn't happen to
Don.

While on the subject of Victory
bonds don't forget to Back the
Attack by purchasing at least one
bond. It is an inspiring thing to
see the way the men and women
of the army are investing their
small stipend in bonds, with prac-
tically every unit going away over
its objective. If civilians do as
well the loan will soon be over-
subscribed.

Reg. Sutton, Stouffville, bar-
rister and former hardballer, has re-
ceived his army call and after re-
categorization will be in uni-
form soon. "Teak" was one of
the smoothest working infielders
in the district and while awaiting
his call has taken C.T.C. training
and in addition been adjutant of
the Stouffville Air Cadet squadron.
"Blondy" Rawlings, centreman
of the championship King City
hockey team, has been posted to
Calgary by the R.C.A.F. Russell
is playing football this year.

Navy have dropped out of the
senior soccer group, which in-
cludes Newmarket camp, and have
been replaced by a team from the
Weston plant of Massey-Harris.
The footballers from No. 23 were
due to open the season this week
against Toronto opposition at the
camp. A fine soccer field has
been laid out and with a strong
team representing Newmarket
there should be plenty of excite-
ment provided.

With bowed heads North York
sportsmen heard the news that
Tommy Crandall was missing
following an air raid over enemy
territory. Tommy, a good game
youngster, played junior hockey
with Sutton a few years back, and
a fine game too. Hope is still
held that the lad may be a prisoner
of war.

Eddie Thompson, dynamic back-
fielder with Balmy Beach and air
force, is also reported missing fol-
lowing the sinking of a transport
en route overseas. Eddie was
picked as the most outstanding
performer in the Big Four last
year. He played ball last year for
Camp Borden. En route to Borden
he was a frequent visitor to Aurora
to see his cousins Mary and Bill
Griffith.

Personally, we received a jolt to
read of the death in North Africa
from wounds of Major Greame
Falkner. It was back in 1923 that
we played on the same champion-
ship football team with a long red,
headed kid we called "Grimey".
Falkner was a substitute outside
wing and secondary and tho' a bit
light he tackled the biggest with
success. We lost touch with him
after university days except for
an occasional flash. Then two
weeks ago news came from over-
seas he had been promoted to the
rank of major. Next it was those
cold, hard black lines in the
casualty list we read.

Jimmy Walker and his chief
aide-de-camp and sidekick, Roy
Middlebrook, are busy these days,
along with the boys and girls at
the Ordnance depot, arranging a
shindig to honor the championship
Aurora Ordnance hockey team,
who took the O.H.A. honors to
bring honor to the municipality
and North York. The event will
be held at Walnut Grove, which
Roy is donating gratis, and a
monster dance will be held along
with a buffet supper, presentations
and all the fixings necessary for
a successful jamboree. All the
players and executive will be
present and Secretary Billy Hewitt
and other O.H.A. officials are ex-
pected to be on hand. We intend
to be there too.

Incidentally, don't mention Que-
bec City to the boys. "Joint"
McCombs claims the Frenchies
were a better team than that
which took Sutton Greenhills in
the eastern Canada finals last
year. The boys had a nice trip,
and plenty of excitement, even tho'
dog tired from it all. Lack of rest
was responsible for that final defeat.
Guess you can get yourself

ment.
Mrs. W. H. Willmot, Sharon, is

SUTTON
SUTTON STORES WILL
OBSERVE HALF HOLIDAY

By an agreement signed by
more than 20 storekeepers of the
village, Sutton stores will be closed
from 1 p.m. each Wednesday com-
mencing on June 2.
This agreement will be in effect
during June, July, August and
September. There is no by-law.
It was decided by every merchant
to close for the half day.
This does not necessarily apply
at Jackson's Point, where the busi-
ness season is shorter.

SUTTON
Merchant's Idea Helps
Victory Loan Campaign

One of this village's enterprising
businessmen, Harry Torrens, re-
cently hit upon the idea of having
his store window decorated with
photographs of the boys-and-
girls-from the Sutton district
who are wearing the king's uni-
form.

The idea met with instantaneous
success as relatives and friends
began to contribute their favorite
pictures, which ranged from a
small camera snapshot to a large
elaborate studio portrait. All con-
tributions are greatly appreciated
and are handled with the best of
care. A careful record is kept of
each and every picture to see that
it returns to the owner in perfect
condition. More than 100 pictures
have been received so far and a
considerable number have been
promised to swell the novel exhibit
which is attracting the attention of
everyone.

Red, white and blue bunting is
draped around the main and side
windows while directly above the
pictures, which are arranged in
rows, is a large Victory bond
poster. Union Jacks are draped
at the sides.

Possibly the only problem is to
find space for all the pictures and
this may be solved by mounting
the smaller ones on display cards.
Sutton had passed the \$28,000
mark on Monday.

NORTH GWILLIMBURY
COUNCIL MAKES GRANT
FOR SCHOOL DENTISTRY

North Gwillimbury township
council met at Belhaven on Mon-
day, May 3. After some discussion
of tenders submitted for hauling
gravel the council decided that the
work should be done on a yard-
mile basis. The price was set at
eight cents per yard mile.
The clerk was instructed to ask
for tenders for garbage collection
and May 17 was set as the date for
opening tenders and awarding con-
tracts.

Dr. O. M. Beattie, M.O.H., dis-
cussed with the council the pro-
posed arrangements for dental ser-
vices in the schools of the town-
ship. The various school sections
were all reported favorable to the
plan with the exception of one not
heard from and it was expected
all would be signed up within a
few days.
A grant of \$450 had been sug-
gested by the board of health.
Along with the government grant,
this would bring the sum avail-
able for dental services up to \$555.
It was considered that this would
be a good start and that it of
great benefit to public school
pupils. The council approved the
grant, which leaves the board of
health in a position to submit the
plan to the Ontario department of
health for approval.

Accounts approved for payment
were as follows: W. E. King, audit,
\$150; stamps and stationery, \$7;
Ontario Hydro, arrears collected,
\$48.15; county of York, hospitaliza-
tion, \$37.62; C. Crittenden, \$2;
Anderson and Rye, \$76.50; Leslie Nel-
son, \$3.50; J. Harper, stamps, \$20;
E. J. Bosworth, \$2; Carl Morton,

SHARON
Would Aid Jap Canuck
To Settle In Ontario

The Women's Hobby club will
meet on May 18 at 2 p.m. at the
home of Mrs. Hartford Wardell.
The roll-call will be "Garden and
Housecleaning Hints" (continued).

The Red Cross report will be
given by Mrs. L. J. Farr, the
reporting officer by Mrs. H. Smith,
the salvage report by Mrs. B.
McNern. Coming events will be
given by Mrs. W. Smith.

Each member and anyone inter-
ested is requested to bring clothing
for Russian relief to this meeting.
Frank Ramsay, county secretary
of the Federation of Agriculture,
will be guest speaker. Group dis-
cussions on community health will
be on the program.

A community party was held in
Sharon hall in honor of the bride
and groom, Mr. and Mrs. Wesley
Eves. They were presented with a
lovely gate-leg table and boudoir
lamp.

The gathering also presented an
occasional chair to Mr. and Mrs.
Kenneth Lunney upon their de-
parture from the neighborhood.

Mrs. W. H. Willmot, Mrs. Bruce
McNern, of the 4th line, Mrs. A.
Thomas and Mrs. W. Giese of
Sharon and Mrs. Thos. Loundes of
Jersey River attended the annual
W.A. diocesan meeting in Toronto
last Thursday. The Indian schools
in Canada, the settlement of Cana-
dian Japanese and Chinese in all
parts of Canada, and the beverage
room problem were interesting
topics of the different speakers.

It was suggested that "we should
ask the government in placing
Japanese-Canadians in our own
communities." The most forward
step in solving the beverage-room
problem, it was urged, would be
the closing of the women's beer
parlors and removal of chairs and
tables from the men's. The wo-
men were shocked to hear of con-
ditions resulting from operation of
beer parlors and the fact that
three-quarters of a billion dollars
was spent in Canada on liquor in
1932.

While planting potatoes last
week in a garden on the W. H.
Willmot farm, enough of last fall's
potatoes were turned out to be
cooked for a meal. They were
found hard and firm and when
cooked proved palatable with a
slightly sweet taste.

Mr. and Mrs. Sheldon Walker
and family spent the weekend at
Mr. Geo. Walker's, near Orillia.

The regular monthly meeting of
the Women's Association of the
United church will be held at the
home of Mrs. Hugh Shannon,
Queensville, on May 20, at 2:30 p.m.

Visitors at the home of Mr. and
Mrs. Elmer Stickwood over the
weekend were Pte. Thos. Stick-
wood, Camp Borden, AC2 Allen
Shields, Toronto, Mr. and Mrs.
Howard Stickwood and Larry.

Madoc, Miss Ruth Stickwood, Tor-
onto, and Miss Marjorie Stickwood,
Newmarket.

Mr. and Mrs. Harold Dixon and
baby of Toronto visited Mr. and
Mrs. Howard Fife on Sunday.

Mr. and Mrs. Harold Archer,
New Toronto, visited Mr. and Mrs.
Chris. Jones on Sunday.

Miss Alice Ramsay, Toronto, is
spending a few days at home.
Misses Jean Houston and Phyllis
Lloyd, Toronto, spent the weekend
with friends in Sharon.

Mr. John Salter, Yonge St., vis-
ited his daughter, Mrs. Gene Kite-
ley, on Sunday. Misses Gwen and
Phyllis Kiteley also spent the week-
end at home.

Mr. Ross Fountain and Mr.
Harvey Glover, Ajax, spent the

weekend at their homes.
Mrs. Wm. Deavitt received a
cable with Mother's day greetings
from her son, Pte. Percy Deavitt,
who is overseas.

SUTTON
SUTTON BOYS GET
PARCELS FROM HOME

Every month the boys from
Sutton and vicinity who are serv-
ing their king and country over-
seas received a supply of cigar-
ettes and tobacco and every few
months a box of "field comforts"
from the Sutton Field Comforts
club.

The club has received many let-
ters thanking them for the boxes
and cigarettes.
Many donations are received by
the club but most of the expenses
are met by holding dances, card
parties, bingo games, etc. Recent-
ly the Sutton public school chil-
dren, assisted by the teaching
staff, turned over to the club \$100,
the receipts from a bazaar and
open house.

The club, which was organized
by some public-minded citizens
shortly after the outbreak of war,
owes much of its success to the un-
tiring efforts of its executive.
The present officers are: presi-
dent, Mrs. L. Tomlinson; vice-
pres., Mrs. V. Carpenter; secre-
tary, Mrs. Roy Thompson; treas-
urer, Mrs. Wm. Martin.

ELMHURST BEACH
Elmhurst Entertains
Union St. Institute

A pleasant afternoon was spent
at the home of Mrs. L. Pollock,
when the Union Street Women's
Institute provided the program at
a joint meeting with the Elmhurst
Beach Women's Institute.

An interesting article on "Sav-
ing Bones and Fats" was given by
Miss Micks, and a humorous recita-
tion was given by Mrs. L.
Mahoney on "Cheering the Sick."

A beautiful demonstration of
making artificial flowers was given
by Mrs. Fred Johnston. Mrs.
Callender read a poem on "Words
That Cheer."

Michael Murphy, though very
young, gave a lengthy recitation
which brought a roomful of smiles.
Mrs. D. Beckett, the new presi-
dent of Union Street W.I., who
capably looked after the program,
gave a brief address.

Mrs. Hodgins presented one of
the former members, Mrs. Wm.
Pollard, of Keswick, with a cup
and saucer. Mrs. Davidson and
Mrs. Waldon were also guests.

NATIONAL SELECTIVE SERVICE

First Compulsory Employment Transfer Order

NOTICE TO CERTAIN EMPLOYERS AND EMPLOYEES

that men in specified lines of civilian employment, in classes already designated under National Selective Service Mobilization Regulations, must report for interview not later than May 19th, 1943, at an Employment and Selective Service Office.

A. Objectives: The Order makes available for essential employments the services of men in classes already designated under National Selective Service Mobilization Regulations, who are now employed in specified non-essential employments.

B. EMPLOYMENTS COVERED BY THIS ORDER: Men, of the specified categories, are covered if now employed at: (1) taverns or liquor, wine and beer stores; (2) retail sale of candy, confectionery, tobacco, books, stationery, news; (3) barber shops and beauty parlours; (4) retail and wholesale florists; (5) service stations (gasoline-filling stations); (6) retail sale of motor vehicles or accessories; (7) retail sale of sporting goods or musical instruments; (8) waiter, taxi driver, elevator operator, hotel bell boy, domestic servant; (9) any occupation in or directly associated with entertainment, including but not restricted to theatres, film agencies, motion picture companies, clubs, bowling alleys, pool rooms; (10) any occupation in or directly associated with dyeing, cleaning and pressing (not including laundry work); bath; guide service; shoe shining.

C. AGE AND MARITAL CLASSES OF MEN COVERED BY THIS ORDER: (a) Every man born in any year from 1917 to 1924 (inclusive) who has reached age 19; (b) every man born from 1902 to 1916 (inclusive), who, at July 15, 1940, was unmarried, or divorced or judicially separated, or a widower without child or children; (c) every man born from 1902 to 1916 (inclusive), who has become a widower since July 15, 1940, and is without child or children now living; (d) every man born from 1902 to 1916 (inclusive) who, since July 15, 1940, has been divorced or judicially separated.

D. Procedure to be Followed: All men as defined above must report to an Employment and Selective Service Office not later than May 19, 1943. Men resident outside a city or town having an Employment and Selective Service Office, too far removed to call personally, may write to the nearest office, and await further directions.

E. OBLIGATIONS OF EMPLOYERS: When directed to accept employment, men referred to in Paragraphs B and C above are required by the Regulations to follow the direction.

F. OBLIGATIONS OF EMPLOYERS: It will be illegal for an employer to retain in his employ after May 19th, 1943, any man referred to in Paragraphs B and C above, unless a special permit has been obtained from Selective Service.

G. Transportation: Provision will be made for transportation of men moved to a new place of residence.

H. Appeals: If objecting to transfer to other employment when directed, a man may enter appeal with a Court of Referees within 7 days.

I. Penalties: Penalties are provided for either employer or employees failing to comply with this Order.

J. Authority: This Order is issued by the Minister of Labour under National Selective Service Civilian Regulations (P.C. 246 of January 17th, 1943, and amending Orders in Council).

Men referred to above must present documents at the employment office, indicating compliance with Mobilization Regulations.

Mount Albert

Anyone having boys in the service around the community is asked for pictures to make a window. The pictures should be given to J. Tilley or H. Leadbetter.

The lobby of the United church looks much better with a coat of paint, which makes it more like the rest of the church building. The minister, Rev. W. H. Burgess, worked hard to get it done for mother's day.

Arthur Dawson of the R.C.A.F. and Mrs. Dawson spent the weekend with Mrs. Dawson's mother, Mrs. H. Price.

Mr. Dawson is at present attending L. T. S. in Toronto. Misses Mina Oliver and Edna Griffith of Toronto were at their homes on Sunday.

Mrs. Swan of Toronto has been visiting her daughter Mrs. Geo. Smith.

Mr. and Mrs. Max Walker of Greensville were at the home of Mr. Walker's parents, Mr. and Mrs. Geo. Walker, on Sunday. Mrs. Walker is still not able to be up around.

The stores have commenced to close on Wednesday afternoons at 12:30, and will do so during the summer months.

Mount Albert sports day will be held Saturday, June 5. Splendid mother's day services were held in the United church on Sunday, when the morning service included the Sunday-school, and the church was filled to capacity. A baptismal service was also held and nine babies were received by baptism.

The superintendent of the Sunday-school assisted Rev. H. Burgess in leading the service, and several of the children took part. Mr. Burgess gave a nice address on "Mothers of the Bible". The choir rendered a lovely mother's day

anthem and the church was beautifully decorated with spring flowers and ferns. At the evening service Mr. Burgess spoke on "Motherhood."

Sunday will be Empire Youth Sunday and the service in the United church will be taken by the Y.P.S. There will also be a choir of young people. The committee in charge of preparing the church for the unveiling service on Sunday.

Horace Pearson won second prize for the first week in the bond-selling contest for North York. Mr. B. Sinclair telephoned home to his family on Sunday from Victoria, B.C.

Hugh Price of the Veterans' Guard has been home on leave to help with seedling on the farm.

Reg. Willbee of the Veterans' Guard has six months leave to assist with the farm work.

Ellis Green, son of Mr. and Mrs. Geo. Green, has enlisted with the R.C.A.F.

QUEENSVILLE

Pupils Abandon Books, Beautify Play Grounds

Friday, May 7, was Arbor Day, and the pupils of the school came armed with garden rakes to spend the day cleaning the school grounds. School books were banned for the day and the only thing that counted was a beautiful playground.

After the work was finished, which required the greater part of the school day, the remaining moments were spent in several games, with teachers and pupils entering heartily into the enjoyment.

Mother's day greeted the many visitors to the village with a beautiful sunny sky and the church services were well attended. At the United church, the order of service arranged by the Ontario Religious Education Council was followed and the members of the Sunday-school took part in the service. The choir was assisted by several girls from the junior class of the Sunday-school and they also sang acceptably two selections. The sacrament of baptism was dispensed and three children were received into the care of the church.

The Women's Association met for their regular monthly meeting on Tuesday. The afternoon was spent in making two quilts for the Red Cross. Supper was served at the close.

The canvass for the Victory loan will be completed for the Queensville district before this goes to press. The canvassers expect to go over the top. They have received a ready response from the people of the community.

Mr. and Mrs. William Kavanagh and Jean of Toronto spent Mother's day with their parents, Mr. and Mrs. Frank Kavanagh.

Misses Grace Grey and Dorothy Shannon of Toronto and Mr. Dan Shannon were visitors at the manse.

Mr. Ross McKenzie of Toronto spent Sunday with his mother. Visitors at the home of Mr. and Mrs. Fred Smith on Mother's day were Mr. and Mrs. Case and Shirley and Lorne Smith.

Mrs. Mary Leith of Huntsville spent last week at Mr. Robert Leith's.

HOPE

Miss Ruth Pegg, Toronto, has been home for a few days ill.

Jimmy Breen and Betty Pegg, public school pupils of Miss Viola Taylor, won the Victory Loan quiz contest on Monday evening at Sharon.

Among those who visited Mr. and Mrs. S. Boyd on Sunday evening were Mr. and Mrs. Dewsbury, Toronto, Mr. and Mrs. Mount and Shirley, and Mr. and Mrs. S. Pegg, Betty, Alvin and baby, Detawa.

Spr. Marsh Fairbairn, Detawa, and Mrs. Fairbairn, Toronto, spent the weekend with Miss Maud Fairbairn and Mr. W. Fairbairn.

Among those who visited the Fairbairns on Sunday were Miss Bertha Fairbairn, Cedar Valley, Mr. and Mrs. Frank Pegg and Ralph Bradford, and Mr. and Mrs. Max Fairbairn, Holt.

Mr. and Mrs. Geo. Williams spent Saturday in Toronto.

Mrs. Herbert Tansley, Toronto, spent the weekend with Mrs. Geo. Williams.

Jim Williams, R.C.A.F., was calling on relatives on Saturday and Sunday.

Mr. and Mrs. Geo. Williams, Kenneth, Donald and Margaret, were Sunday dinner guests of Mr. and Mrs. A. Gibson.

Mr. and Mrs. Jack Smith, Toronto, spent the weekend with Mr. and Mrs. J. Stickwood, Camp Borden, who was home for the weekend. Harold Stickwood is ill in hospital at Camp Borden.

Mr. and Mrs. Cliff Morton and family, Queensville, were Sunday supper guests of Mr. and Mrs. S. Stickwood.

Church service will be held on Sunday at 2:30 p.m. The following Sunday, May 23, and for the summer months, the morning services will commence at 9:45 (church) and 10:15 (Sunday-school).

Mr. and Mrs. M. L. Pegg and Donald were dinner guests of Mrs. Shields, Holland Landing, on Sunday, and tea guests of Mrs. A. Trivett, Newmarket.

Mr. and Mrs. A. Dike attended Wesley church, Vandonr, on Sunday and visited Mr. and Mrs. Jas. Oliver.

Mrs. Ivan Bain visited Mrs. J. L. Smith, Queensville, on Sunday.

KESWICK

MRS. ROSS FISHER IS HONORED BY FRIENDS

At the morning service in the United church on Sunday, Lois Marie, infant daughter of Mr. and Mrs. Harold Wilkinson, and Barbara Frances, infant daughter of Mr. and Mrs. Earl Peters, were presented for baptism by their parents. The pastor gave an appropriate Mother's Day sermon and the choir sang an anthem in keeping with the baptismal service.

The Young People's service at the United church on Sunday evening was in the charge of the new president, Miss Patti Connell. Miss Connell told of the purposes of the Young People's work.

Donald Winch delivered his temperance address which won first place in the senior class at the North York temperance federation convention, and Ruth Mary Winch gave the temperance reading with which she won first place in the junior division at the same convention. Perry Winch, Jr., read the bible lesson and Ewart Van Norman led in prayer. Vocal selections were rendered by: Patti and Lillian Connell, a duet, and Lois Marritt, Betty Fisher, Reva Pollock and Geraldine Cable, a quartette.

The ushers were Donald Fisher and Harry Davis. A good congregation attended the service.

Rev. Gordon Lapp's subject will be "God loves an independent thinker" on Sunday morning, and at the evening service there will be presented the final slides and talk for this year on the missionary work of the church. The subject of the slides will be "The church in the city streets."

Mr. and Mrs. Clayton Purdy and family, Toronto, spent a weekend recently with Mr. Purdy's mother, Mrs. Mary Purdy.

Mrs. Purdy was delightfully surprised by a telephone call from her son, Lawrence Purdy, Winnipeg, his wife and two sons, on mother's day.

The following were among last weekend visitors in this community: Mr. and Mrs. Ethan Morton and daughter, Mrs. Ted. Hathwell and Mr. and Mrs. Raymond Hodgson.

Mr. and Mrs. Peel spent Sunday in Toronto visiting their daughters.

Miss Kathleen Peel recently spent two weeks at the following places in the United States, Carney Point, New Jersey, Philadelphia.

Mrs. Carson Pollock and family, after spending the winter in Toronto, have returned to their summer home at Island Grove.

VOWS ARE TAKEN AT CHURCH WEDDING

A quiet but pretty wedding was solemnized at the United church parsonage, Cannington, April 29, when Verna Doreen, only daughter of Mr. and Mrs. J. W. Sackville, became the bride of Pte. Sgt. George Francis Hawlin, R.C.A.F., of the 4th con. of Mr. and Mrs. J. A. Hawlin, Newmarket.

Rev. M. I. Robinson, B.A., performed the ceremony, assisted by Rev. A. M. Partridge, B.A., Newmarket, in the presence of the members of the immediate families.

The bride, given in marriage by her father, wore a frock of navy blue crepe with navy blue and white and a corsage of Sweetheart roses.

Beth Hawlin, R.C.A.F., sister of the groom, was the bride's only attendant. LAC W. J. D. Partridge, R.C.A.F., was groomsmen.

Later the bride and groom left for a short honeymoon. For traveling the bride donned a navy blue ensemble with navy coat and accessories.

A reception was held at the groom's home on Saturday evening, when about 40 guests assembled to receive the happy bridal couple.

The dining-room table was decorated with the three-story wedding cake amid star-shaped and lighted pink and white candles. Among the guests was the groom's grandmother, Mrs. M. F. Starr, and her son, Mr. Elmer Starr, of Newmarket.

The couple were the recipients of many gifts, showing the esteem in which they are held by all who know them.

Gathering the Sport Facts

The sport writers of all the Toronto dailies, plus a few from outside the big city, are sounding loud words of approval about Frank Zak, the new kid on the block of the Toronto Maple Leafs. If Zak is as good as the kind words being printed and spoken about him it will be nothing new for Pittsburgh "Pirates" to come up with a good man in this important position.

It is a funny thing but certain teams always seem to come up with great players at a certain position. One can just take a glance at the Cardinals for an example. Back in 1931 they came up with Bill Delaney, a good catcher. He was so good that Sam Breadon let Ken O'Dea get away from their farm system because they felt they wouldn't need him. Then Delaney took ill. Yet when he was forced out they came up with Brucie Ogradowski, a good catcher despite the fact that he couldn't hit.

Then they brought up "Mickey" Owen, the present catcher for the "Dodgers." When they had a chance to sell him for big money, they could do it because at that time they had the greatest of them all, Walker Cooper, on his way up.

The strong point at Pittsburgh has always been shortstop. For a great many years they had the best in the business in Honus Wagner. After Wagner retired from the game the "Pirates" were weak at the position. Then they came up with another great player in "Rabbit" Maranville.

After Maranville retired Glenn Wright took over the position. Then perhaps the greatest shortstop of the present day took over when the "Pirates" used "Arky" Vaughan. Since 1930 the "Pirates" have had two great players in Dick Bartell and Joe Cronin, but they gave them away for peanuts because Vaughan was around.

Perhaps Frank Zak of the Maple Leafs will be the next Pittsburgh shortstop. If he does take over the position he will have quite a

law said that a child could not be kept after 4 o'clock. "You can keep the same child in every day in the year for 20 minutes and it won't do anything," he said. "We have to break this habit. Children need more sunshine. Why are Toronto children out at 3:30? Is their curriculum different?"

"The standard in Toronto is different," said Mr. Jackson. "In Toronto they are satisfied if they get 60 percent through. We aren't satisfied unless we get 100 percent. The teachers aren't satisfied that they aren't judged by the number of pupils they get through."

"But you don't approve," said Mr. Koffend.

"No, I don't think anything is gained by keeping pupils after four," said Mr. Jackson. "I think some of our teachers will be glad to know that the board feels as it does. You will find the odd boy with ability who purposely loaf during the day, and keeping that boy after four is a punishment."

"I am heartily in favor of dismissing the schools at 3:30 and giving a half hour of supervised play," said Mr. Hovale.

"I think that at 4 o'clock the child has reached the saturation point," said Mrs. J. C. R. Edwards.

"I don't think that you are helping grade two very much with 3:30," said Mr. Koffend. "It seems to me a long day, but I am not the judge."

"Could you postpone recess and let grades one and two go then," was the suggestion of Trustees R. L. Pritchard.

Mr. Koffend and Mr. Jackson agreed that no pupils should be detained at recess. Mr. Koffend said that he had had complaints on that score.

"The principal should give instructions that no one is to be kept in at recess," said Mr. Pritchard.

"I will be glad to do that," said Mr. Jackson.

Mr. Jackson asked if the teachers were free to allow pupils in grades other than one and two to go at 3:30 and use 3:30 to 4 p.m. for detention.

Mr. Koffend and Mr. Hovale expressed disapproval of making the change this year. Mr. Koffend said: "I'd watch it o'clock."

"Except in the case of the lazy pupil, as mentioned by Mr. Jackson," said Dr. Case.

"Are you getting just one side of the story - the children's?" asked Trustee Frank Rothwell.

"I checked two cases with Mr. Jackson," said Mr. Koffend.

"Some pupils think that they can defy the teachers," said Mr. Rothwell.

In view of the fact that the Dominion government had decided that May 21 should be a working day, the board agreed that the schools should be open on that day, subject to change if the town council declares a civic holiday.

Mr. Pritchard reported that plaster had fallen in the primary room at the Alexander Muir school, frightening the children. "Fortunately no one was seriously injured," he said. "Humble Scott (son of Mr. and Mrs. P. B. Scott) was a little bit marked, but he was back at school after dinner."

Mr. Jackson reported that the school children had brought in 800 pounds of fat.

Mr. Koffend said that Mary Lou Little, a public school pupil, had come "within a hair's breadth" of tugging first place in oratory at the Ontario Education Association convention.

The board adopted a motion, moved by Dr. Case and Mr. Hovale, requesting the town council's property committee to put the council chamber "in a satisfactory condition to hold meetings in."
